

RECEIVES APPRECIATION GIFT — J. O. Murphree, right, was presented a wristwatch Monday evening as an appreciation gift from members of Boy Scout Troop 43. Murphree, Scoutmaster of the local troop for five years, has resigned as Scoutmaster but will continue to work with the Troop. Chris Perrin, left, in making the presentation, expressed the appreciation of the boys for his work and dedication to Scouting. Gary Smith gives the Scout handshake. Charlie Shira is in the background. The Troop, sponsored by the Lions Club, is in the process of registering and need to have a Scoutmaster before this can be completed.

Local Schools to Observe Public School Week-Cook

March 7 through 11 has been declared by the Governor of Texas as Texas Public School Week, according to C. F. Cook, superintendent of the Hamlin Schools. He said that the local system will hold Open House on Monday evening as part of this observance.

Cook said that the purpose of this week is to let all citizens of the community visit their schools. In making the invitation to the public, Cook issued the following statement:

"If we can get people to visit our schools, I believe they will come away convinced, as we are, that Hamlin has a good school system. We also feel that your tax dollar is being spent wisely in giving your teachers and children materials and equipment to do a better job of learning."

"We do not want you to visit our schools only once a year, but to visit them often. You cannot have a true perspective of your school by visiting only once a year. Public School Week and your visit will provide an occasion for the inspection of the building and insight into the quality of teaching and administration your child is receiving."

"Again I wish to request and invite you to visit your schools, meet your teachers, inspect the quality of work they are doing, check the equipment and teaching aids we are providing your child, inquire about your child's ability and whether your child is doing the type of work he is capable of doing. It is helpful to know your teachers and to recognize their problems. Teachers are the heart and core of our school system. No school can be any better or any worse than your teachers."

"Please make it a point to visit your school during this Public School Week."

At high school, members of the Student Council will conduct a tour of the building. Principal B. V. Newberry is encouraging both parents and visitors to attend the high school open house to meet the new teachers and visit with other teachers.

Shorthand and typing students will serve as receptionists for the business department. On display will be a file of each typing students work and bookkeeping students will have a completed set of books and examples of their recently work.

American History classes will show the railroads and their place in American History from 1861 through 1934. Cookies and coffee will be served in the high school cafeteria.

Faith Methodist Church Revival To Open Sunday
Dr. Tilden Armstrong, District Superintendent of the Abilene District, Methodist Churches, will be the evangelist for a six day revival at Faith Methodist Church, Mar. 6-11.

The Sunday morning worship service at 10:30 a.m. will open the revival. Evening services will be held at 7 p.m. each evening through Friday, Mar. 11.

The church choir will lead the song service. Rev. Tommy Ewing, pastor, said this week that the public is invited to all the worship services.

Schedule of Activities for Open House Here Monday Announced

Texas Public School Week will be observed in Hamlin schools Mar. 7-11, according to announcements made by Supt. C. F. Cook and principals of all the schools.

Open house is being planned in the primary and elementary buildings Monday, Mar. 7, from 6:30 to 8:30 p.m. At high school parents and visitors will be welcomed from 7:30 to 9 p.m. At Oscar DePriest School no formal open house is being held but parents and friends are urged to visit during the school day to see the students at work.

Students and teachers have been making preparations for several weeks. Displays of each student's work will be featured in the classrooms.

In the junior high school building murals have been prepared showing the subject being taught in each room. Also there will be a display of scientific experiments, various projects made by the students, and audio-visual aids.

New in the system this year is the reading center. Classes are held in the grey building.

Church of Christ To Conduct Survey Saturday, Sunday

This Saturday and Sunday a group of volunteers will be calling on every home in Hamlin to conduct a complete religious survey. The group will begin its survey Saturday morning at 9 a.m. and will survey until 5:30 p.m. Then starting again at 2 p.m. Sunday the group will complete the survey stopping by 5 p.m.

The survey will be conducted mainly by ACC students and will be sponsored by the Hamlin Church of Christ. The statistics will be published in the Herald shortly after the survey. The survey questions being asked will reveal the religious tenor of the Hamlin community.

Girls In Regional Saturday

The Pipersettes mauled Marfa Saturday night, 61-30, in a game played at Coahoma, to earn the right to play in the Regional Tournament to be held in Lubbock Saturday. The girls will meet Granbury in the first round at 12:30.

Granbury defeated Mason Tuesday night at Brownwood to gain a berth in the tourney. This will be the third consecutive year for Granbury to make it to regional.

The winner of this match will play again at 8:30 with the winner going to the State meet the following week end.

Rev. A. D. Stewart New Assembly Of God Pastor

Rev. A. D. Stewart, formerly of Duncan, Okla., is the new pastor of the Assembly of God Church. He succeeds Rev. J. C. Amburn who is pastor of the church at Squaw Mountain community, near Jacksboro.

Rev. Stewart and his wife moved here Saturday and are living at 833 S. E. Ave. B for about two weeks while the parsonage at 1491 S. W. Ave. A is being remodeled.

The Stewarts have four sons and one daughter. All are married except one son, Doyle, 17, a junior in high school. He will join his parents here after the close of school.

Twelve Teachers Receive In-Service Certificates

Twelve Hamlin Primary and Elementary Teachers received in-service certificates in Abilene Saturday upon completing an area study course in Modern Mathematics 1-6. The course, sponsored by the Texas Education Agency, was given at Cooper High School. The Saturday sessions began October 23 with Dr. Paul J. Cowan of the Harden Simmons University mathematics department as instructor.

Hamlin teachers receiving certificates were: Mrs. Harold L. Williams, Mrs. Donley Williams, Mrs. Fred Smith, Mrs. Leldon Clifton, Mrs. Joe Norton, Miss Viola Avants, Mrs. Harvey Elkins, Mrs. I. J. Starr, Mrs. Jimmy Huff, Miss Mary Ella Esco, Mrs. F. F. Shout and Mrs. Ethel Allan.

Mrs. W. W. (Red) Wallace, Mrs. L. V. Miller and Mrs. D. C. Andrews Sr. attended the president's council of Licensed Vocational Nurses Association in Austin Feb. 18, 19 and 20.

CLIFTON WINS TROPHY—

Five from Here Compete In Regional Golden Gloves Meet

Five Hamlin youths entered the Jaycee sponsored Regional Golden Gloves meet in Abilene this week end with one, Bob Clifton, bringing home the trophy for his weight in the high school division.

Clifton and Randy Kelly were the only two Hamlin boys to win their round matches, with Clifton going on to win his final match with a knock out in 35 sec. of first round.

Thursday night action in Abilene saw Clifton Woods of Stephenville, knockout Paul Long in 51 sec. of the first round. Mike Bredemeyer of Sweetwater won a decision over William Nelson of Abilene.

On Friday night Clifton decisively defeated David Coy of Snyder and Tommy Gore of Stephenville won a decision over Kelly.

On Saturday night Jimmy Baker of Brownwood took a TKO over Gary Woolf in the third round and Clifton knocked out Mike Wood of Stephenville in 35 sec. of the first round.

All of the Hamlin boys were fighting in the high school division of the tournament.

The Pipersettes took an easy victory over their first round playoff foes Saturday night as they clipped Marfa to the tune of 61-30. Judy Jenkins outscored the entire Marfa team as she rolled up 33 points.

Banquet Fri. 'Regardless'

The annual Board of Community Development banquet will be held "regardless" this week, according to committeemen of the twice postponed affair.

Originally set for January 21 and rescheduled for Jan. 29, the banquet could not be held each time because of snow and freezing temperatures.

The local girls, playing in the Coahoma gym, got off to a slow start as they trailed early in the first quarter before they rallied to take a one point lead at the end of the first period and were never in trouble after that.

They out-scored Marfa in each of the quarters by 11-10 in the first, 17 to 6 in the second, 19 to 8 in the third and 14 to 6 in the final. The Pipersettes hit 21 out of 31 free throws and 20 out of 32 field goals while Marfa hit 12 out of 25 free throws and nine out of 30 field goals.

Judy sank 11 charity throws and 11 field goals for her 33 points. She was followed by Linda Bailey with six field goals and eight free throws for 20 points. Pauline Lakey hit 2 field goals and one free throw for five points and Margaret Cooper, who played on both ends of the court during the contest, hit one and one for three points.

Diane Baker was high for Marfa, hitting four field goals and seven at the line for 15 points.

The Pipersettes guards got 56 per cent of the rebounds in the first half and 42 per cent in the final half for a game average of 50 per cent. They stole the ball five times and lost in four times during the contest.

Entertainment will be presented by the Hamlin High School Stage Band.

Plans are now for the banquet to be held Friday, Mar. 4, at 7:30 p.m. in the high school gymnasium, "in spite of the weather."

Wayne B. Smith of Wichita Falls, humorist and popular speaker, will be the speaker.

A & M Computer Available to Figure Individual Farms for Cotton Program Through County Agents

Computer facilities at Texas A & M are being offered to Cotton farmers to aid them in determining row patterns and the best level of participation under the 1966 cotton program, according to Kirby Clayton, County Agent. The service of the Texas Agricultural Extension Service is expected to be especially helpful to farmers using skip-row planting patterns.

Clayton stated that the purpose of the project is to assist farmers in determining the most profitable row pattern, or combination of row patterns, for the four levels of participation under the cotton program.

The four levels of participation are:

1. 12.5%, 25% and 35% diversion.
2. The following procedure will be used in the computer programming project for cotton:
The farmer will need to contact the local County Agricultural Agent's office and secure forms along with instructions on how to use them. These forms will be filled out by the farmer and will show his cotton allotment, feed grain base, conserving use

OLD GLORY...

By Judy White
Fans of the Old Glory Pirates followed the basketball team to the Regional Meet at Canyon last Saturday but despite splendid efforts the Old Glory team was defeated first by Darrouzett 67-47, and later in the day by Shallowater 81-67. Each member of the Old Glory team, as well as Coach Tom Pritchard, is to be congratulated for the vital part he played in taking the team as far as it did go.

Rain at Old Glory last Sunday morning amounted to .25. Approximately that same amount of moisture was received from the two inches of snow that fell earlier last week.

Mrs. Herman Letz was honored on her birthday last Friday. Those who called at her home included Mrs. Ben Klump, Mrs. Charlie Letz, Mrs. Tillie Dippel and Mrs. Katie Gerloff.

Mr. and Mrs. Thomas Letz spent the weekend here visiting their parents, Mr. and Mrs. C. T. Pierce and Mr. and Mrs. Charlie Letz.

Mr. and Mrs. Jimmy True of Abilene were here last Saturday visiting her mother and sister, Mrs. Normanda Sander and Judy.

Jaycees Sponsoring State-wide 'Discover Texas' Essay Contest

A statewide essay contest to offset research findings that Texans don't know the vacation joys of their own state will be promoted in Hamlin by Bill Early, Jaycee President.

He was named local project chairman for the "Discover Texas" essay contest by the Texas Jaycee organization. Jaycees are co-sponsoring the competition for seventh and eighth-graders in cooperation with the Texas Tourist Development Agency.

Prizes in the contest are representative of the good-time spectrum available to all Texans. Winner will have his choice of a weekend for himself, his immediate family, and best friend at any of three topflight tourist attractions in Texas. The spectrum:

Six Flags Over Texas, the jolly Dallas-Fort Worth theme park that drew more than 1.7 million visitors last year; the amazing Aquarena at San Marcos boasting, among a host of charms, the world's only submarine-type theater; and the city of San Antonio, the historic place J. Frank Dobie once described as "eve-

office. As a law student at the University of Texas, I was able to further my knowledge of government by working in the Texas House of Representatives and thereby gained valuable and practical experience in legislative affairs.

"As your State Representative I pledge full time, energetic, positive representation in Austin for our district and our state. I would be particularly interested in all measures that will insure a favorable business and agricultural climate in our West Texas Area. I strongly feel that we can meet our obligations in the areas of water and soil conservation, pollution control, highway construction, increased tourism and excellence in education with our present sources of revenue without an increase in taxes.

"If I am elected your State Representative the best interest of District 62-F and the State of Texas will be my constant goal."

ry Texan's second home." Second and third-place essayists and their families will be entertained on an all-expense basis by the two attractions remaining after the winner's choice is made. Auto travel expenses of winners will be paid by the hosting attractions. In each case one "best friend" will be hosted too.

One local winner will be named among essayists competing here, according to Bill Early. He will receive an attractive certificate and his entry will be submitted to state Jaycee headquarters for judging against those of other winners across the state.

In their "Discover Texas" essay, students are asked to tell why they would like to spend a vacation in Texas.

Local school and Jaycee officials are cooperating in promotion and judging of the "Discover Texas" contest. Deadline for submission of entries to the local project chairman is March 15.

Grand prize winners will be announced in early April.

SYLVESTER NEWS...

By Mrs. R. M. Babb

A lovely day, just wonder how long it will last, we had a pretty rough week last week so we are appreciating this nice day.

We had a larger group in Sunday School and Church on Sunday morning, then Sunday night. Bro. Leverett was surprised by his parents attending our services, we were very glad to have them visit.

At this writing, Leldon Perkins and Mrs. Ella Scott are still in Hamlin Hospital. Robert Reed was released this morning and was feeling much better.

Mr. and Mrs. Morris Roquemore and daughter, Sue Ann of Irving, Mr. and Mrs. Raymond Perkins of Lubbock, Mr. and Mrs. Gus Kiser of Comanche, all visited the Landon Perkins home over the weekend.

Mrs. Henry White, daughter and son of Lubbock visited her sister, Mrs. Woodford Pursley on Sunday.

Mrs. A. J. Griffin, Mr. and Mrs. Will Kelly, Mr. and Mrs. Richard Kelly of our town and Mr. and Mrs. Wesley Ma-berry of Sweetwater attended the funeral of Mr. Kelly's and Mrs. Griffin's Mother in Okla. City Okla. last week.

Visiting in the W. B. Brown home during the weekend were Mr. and Mrs. Max Deel and family of Levelland and the Jerry Prather family of Sweetwater.

Mr. and Mrs. Henry Cook enjoyed their many, many friends Sunday as they celebrated their Golden Wedding Anniversary.

Mrs. Frank Dillard of San Angelo and her son, Joe and his son Mark of Stamford spent some time one afternoon this past week in the home of Mrs. John Edwards.

Boaz and her children but we are sorry to lose Betty Boaz and her children but they are moving back to Calif.

Buster Brown of Levelland spent the weekend with his parents, the L. C. Brown's.

Mr. and Mrs. Gus Travis had as guests over the week end their daughter Mr. and Mrs. Charles Brewer of Mc Camey, a grandson, Mr. and Mrs. Mike Brewer of San Angelo and a brother Mr. and Mrs. Arvin Evans of Big Spring.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

Austin. — Texans who failed to pay their poll tax have another chance to register for a vote in the 1966 elections. This time it's "for free!"

Registration period extends from March 3 through March 17. Any citizen eligible to vote can sign up with his county tax assessor-collector and his name will be placed on the poll list at no charge.

So reads the "emergency" provision in the new voter registration act just passed by the Legislature and signed into law by Gov. John Connally.

Hereafter, free registration will take place from October through January each year.

There is one possible hitch: Atty. Gen. Waggoner Carr fears that names of those who sign up during March won't be available for local elections already slated on bond issues, local option liquor questions, etc. He asked the three federal judges who banned the poll tax to put off their order until March 26.

Estimates of the number of Texans who will take advantage of the free right to vote vary widely — from 50,000 to 1,000,000. Any figure approaching the latter could make a substantial difference in the outcome of many local and some statewide elections. Indications are that the number of new voters will be nowhere near that high, however.

All who paid poll taxes by January 31 will be entitled to vote as usual, without re-registering.

Pecos Sulphur Boon—Land Commissioner Jerry Sadler compares reaction to the re-

League staff member, as its director.

House Interim Committee on Education decided to collect comparative data on what teachers are paid over the nation. Rep. Charles Wilson of Lufkin said he believes teachers will ask another pay raise in 1967. They got one in 1965.

Poverty project approved—Fifteen more Community Action grants and two VISTA grants under the Economic Opportunity Act have received Governor Connally's approval.

Grants went to agencies in Harris, Hidalgo, Atascosa, Karnes, Wilson, Brooks, Jim Hogg, Zapata, Dallas, El Paso, Kleberg, Maverick, McLennan, Shelby, Starr, Comal, Blanco, Nueces and Webb Counties. They range from \$5,752 for Economic Opportunity Development Corporation of Lardo project to \$53,181 for Harris County Economic Opportunity Organization.

Manufacturing at record level — All-time highs in employment, payrolls and value of output were set by Texas manufacturing industries in 1965, and outlook is even brighter for 1966.

So concludes a study of Texas industrial expansion by the University of Texas Bureau of Business Research.

Total Texas manufacturing employment this year is expected to raise by 13 per cent, with biggest increase in electrical machinery production. Estimated value added by manufacture for 1966 is anticipated to be slightly above \$8,500,000,000, a 21 per cent rise over 1963.

A serious problem facing Texas manufacturers, BBR noted, is a shortage of skilled labor (particularly machinists) and engineers for aerospace companies supporting the Manned Spacecraft Center in Houston.

Shortages of engineers, machinists, technicians and managerial talent emphasizes again the "need to provide a superior educational system at the elementary, secondary and college levels," BBR stresses. Many industries, Bureau warns, can move where needed labor is available, and there is less and less work for the uneducated and unskilled.

If the first part of your car registration number is here, you might be a winner.

Here's how it works. Look at the first symbols (the prefix) on your vehicle identification slip. Then look at the symbols listed above. If you find yours on the list, you've taken the first step toward being a winner. Now go see your Buick dealer. He has a list of 72 winners posted in his showroom. If you see your entire vehicle identification number on the poster—the symbols plus the rest of the numbers—\$2332 cash is yours. (If your prefix isn't listed in this ad, don't give up. Your numbers may have been posted during the past few weeks. And every week there are 72 new winners posted on the showroom wall. So watch for next week's list of new symbols in this newspaper.) No slogan to invent, no puzzles to solve. In fact, you don't even have to own a Buick to have a winning number. While you're in the showroom, get a good look at the Buick Special. The \$2332.00* happens to be its price. *Manufacturer's suggested retail price for Special V-6, 7-dr. coupe. Price includes Federal Excise Tax and suggested dealer delivery and handling charge.

Contest Rules. Residents of Kansas, Missouri and Nebraska. If they prefer, send in a postcard to R. L. Polk and Co., P.O. Box 1347, Detroit, Michigan 48231 and receive the weekly list of winning numbers by mail for comparison with their own vehicle identification number. An official entry form will be included. Sweepstakes limited to persons over 21 living in the continental U.S. Not valid in Florida or states where prohibited by law.

Buick's \$1,000,000 Sweepstakes.

There's an authorized Buick dealer near you. See his Double-Checked used cars, too.

FAIRVIEW NEWS...

By Mrs. Elmer Joiner

Last Monday morning was about as bad as could be, with freezing rain and snow falling, this Monday is about as beautiful as can be. So far the day is just perfect. Since tomorrow is the first day of March, it may just be backing up a running start with a good sand storm, that is West Texas in the spring time.

Eleven women and two children were present, in the home of Mrs. Madgean Rainwater, last Wednesday morning for the W. M. U. meeting of the four churches. Five were present from Fairview, five from Neinda and one from Hanna. There will be no W. M. U. program next time the Brotherhood and the ladies meet together, which will be March 9, with the Fairview Church. The Lonnie Doyle will be with us to show their slides and tell of their work in Brazil. We invite anyone wishing to see and hear them, to meet with us, we have lots of empty seats that need filling one more time.

The week of March 6-13 being designated as a week of prayer, by the W. M. U. the members being too scattered to meet every day, as they do in town, decided to meet for an all day program. This will be at the Neinda Baptist Church, Monday March 7, at 9:30 a.m. everyone will bring a covered dish. The Neinda ladies announced that the nursery will be open and if you can't come because of small children, they will be cared for while you enjoy the program.

We had another preacher at Fairview Sunday, Rev. Guy Hopper, of Knox City, a semi-retired Baptist minister. He and his wife were dinner guests of the H. L. Fords. Even though we do not have a pastor, we are still trying to carry on, as if we did. We will find the right man some day before long.

Mr. and Mrs. Elmer Joiner went to Lubbock, Thursday, to spend the day with his sister, Mr. and Mrs. Henry Kee. Mrs. Kee is convalescing from recent surgery.

Raymond Scifres has bought the farm belonging to Mrs. Jim Rose and we understand that they will move there soon. It is always good to have some one moving into our community, instead of away from it.

Mr. and Mrs. Winson Gray went to Clyde Wednesday afternoon, where they visited with Mrs. Gray's cousin, Mr. and Mrs. Lonzo Shellnut.

The Workers Conference, which was held in the First Baptist Church, of Anson, was put off from Tuesday night until Friday Night, on account of the bad weather. The Grays and Goodwins represented the Fairview church.

Even though there will be a report in the Herald of the H. D. Club meeting last Friday, would like to comment on the good time we all had. As I had stated before, our project this year is to buy a radio, for one of the girls at the State School, in Abilene, and we had a fund raising day. Every lady brought something to show and we all paid to see that they had brought. The things ranged from the ridiculous to the sublime. We raised almost nine dollars on our project.

Buck Joiner spent Sunday with his parents, the Elmer Joiners. He had made a trip down Saturday night, on business and the remainder of his family stayed home.

Mr. and Mrs. Woodrow Goodwin visited last Thursday night with Mr. and Mrs. John Beauchamp, in Anson.

The Rogue Theater gave a preview of the picture, "My Redeemer", last Wednesday afternoon, inviting the representatives from each Woman's Club and from the churches. I attended, as a member of the H. D. Club and Mrs. Goodwin, from our church. This is a wonderful picture and should be seen by everyone that is interested in Biblical pictures.

Nancy Ford made a short visit home from Denton, Saturday and Sunday, long enough to see the homefolks and eat some of mamma's cooking.

Mr. and Mrs. Gilley were late Sunday visitors of the Fred Rosenbaums.

Mrs. Flavil Holmes went to Stamford last Friday afternoon, to visit with Mrs. Larry Holmes, who had surgery on a foot, almost a week before. The girls basket ball team

Piperettes are the BEST! This is the main topic around Hamlin High School. The Piperettes defeated Marfa for the Bi-District title before host of Hamlin fans at Coahoma, Saturday, March 5, the team will play in the regional tournament in Lubbock. We've backed our team this far, so let's go all the way!

HHS
The Hamlin High School Stage Band brought home third place honors Friday from the Stage Band Contest in Brownwood. We should all be very proud of our stage band for all their work and accomplishments.

HHS
Those of you who didn't attend the "FFA Fun Night" Friday night in the gym really missed a whale of a good time! Races of all sorts were run and games of all kinds were played. Along with this, refreshments were served.

HHS
The seniors are now beginning to work on their play. Characters were chosen last Tuesday. If you have to, start deciding now on who you want to buy your tickets from, because you just can't miss it! Read the Piper Patter next week for more news about the senior play.

HHS
Saturday, March 5, the High School Band will go to Sweetwater for a parade and festival. The band will be playing their contest numbers.

won their game in Coahoma, last Saturday night, entitling them to a trip to the Regional Tournament in Lubbock next weekend. We are proud that one of the players, Kay Hodnett, resides in our community.

Mr. and Mrs. Wayne Hodnett went to Winters last Thursday night, after receiving word that his brother, J. C. Hodnett, had suffered two heart attacks, one Wednesday and one Thursday morning. He appears to be doing well, but will be hospitalized for two weeks and off work two more months. J. C. and wife, the former Tommy Gardner, were life long residents of the Neinda community until a few years ago.

It is surprising how anything can turn out by leaving out a few words, accidentally, as was done last week when I reported going to Abilene and visiting with Mrs. Lois Hampton. It didn't matter as everyone knows that I do not have a daughter in Abilene. But, I did go to Abilene again early this Monday morning with my daughter, Mrs. Runt McCoy, who is going to the Rehabilitation Center for therapy on her hand that she had surgery on recently.

fifth six weeks — only one more to go. The weather is finally getting warm, and as Uncle Wiggly says, "Don't let Spring fever get you down."

HHS
Milton Davis, president of the Sophomore class, gives his definition of a hero as a

person who not only does brave deeds, but can also be man enough to stand up for what is right, even when he is in the minority.

Rainfall here Sunday afternoon measured .41 inches at the City Pump Station.

RECEIVES APPRECIATION GIFT — J. O. Murphree, right, was presented a wristwatch Monday evening as an appreciation gift from members of Boy Scout Troop 43. Murphree, Scoutmaster of the local troop for five years, has resigned as Scoutmaster but will continue to work with the Troop. Chris Perin, left, in making the presentation, expressed the appreciation of the boys for his work and dedication to Scouting. Gary Smith gives the Scout handshake. Charlie Shira is in the background. The Troop, sponsored by the Lions Club, is in the process of registering and need to have a Scoutmaster before this can be completed.

Local Schools to Observe Public School Week-Cook

March 7 through 11 has been declared by the Governor of Texas as Texas Public School Week, according to C. F. Cook, superintendent of the Hamlin Schools. He said that the local system will hold Open House on Monday evening as part of this observance.

Cook said that the purpose

of this week is to let all citizens of the community visit their schools.

In making the invitation to the public, Cook issued the following statement.

"If we can get people to visit our schools, I believe they will come away convinced, as we are, that Hamlin has a

good school system. We also feel that your tax dollar is being spent wisely in giving your teachers and children materials and equipment to do a better job of learning.

"We do not want you to visit our schools only once a year, but to visit them often. You cannot have a true perspective of your school by visiting only once a year. Public School Week and your visit will provide an occasion for the inspection of the building and insight into the quality of teaching and administration your child is receiving.

"Again I wish to request and invite you to visit your schools, meet your teachers, inspect the quality of work they are doing, check the equipment and teaching aids we are providing your child, inquire about your child's ability and whether your child is doing the type of work he is capable of doing. It is helpful to know your teachers and to recognize their problems. Teachers are the heart and core of our school system. No school can be any better or any worse than your teachers.

"Please make it a point to visit your school during this Public School Week."

southwest of the junior high building. New equipment and teaching aids will be displayed and the teachers will be receiving the visitors.

Principal I. J. Starr of DePriest School is inviting the public to visit the classroom and especially the reading center. Sessions are held Monday through Thursday in the reading center at DePriest from 8:30 to 11:30 a.m. Parents are being urged to come while classes are underway.

At high school, members of the Student Council will conduct a tour of the building. Principal B. V. Newberry is encouraging both parents and visitors to attend the high school open house to meet the new teachers and visit with other teachers.

Shorthand and typing students will serve as receptionists for the business department. On display will be a file of each typing students work and bookkeeping students will have a completed set of books and examples of their recently work.

American History classes will show the railroads and their place in American History from 1861 through 1934.

Cookies and coffee will be served in the high school cafeteria.

Faith Methodist Church Revival To Open Sunday

Dr. Tilden Armstrong, District Superintendent of the Abilene District, Methodist Churches, will be the evangelist for a six day revival at Faith Methodist Church, Mar. 6-11.

The Sunday morning worship service at 10:50 a.m. will open the revival. Evening services will be held at 7 p.m. each evening through Friday, Mar. 11.

The church choir will lead the song service.

Rev. Tommy Ewing, pastor, said this week that the public is invited to all the worship services.

Girls In Regional Saturday

The Piperettes mauled Marfa Saturday night, 61-30, in a game played at Coahoma, to earn the right to play in the Regional Tournament to be held in Lubbock Saturday. The girls will meet Granbury in the first round at 12:30.

Granbury defeated Mason Tuesday night at Brownwood to gain a berth in the tourney. This will be the third consecutive year for Granbury to make it to regional.

The winner of this match will play again at 8:30 with the winner going to the State meet the following week end.

Rev. A. D. Stewart New Assembly Of God Pastor

Rev. A. D. Stewart, formerly of Duncan, Okla., is the new pastor of the Assembly of God Church. He succeeds Rev. J. C. Amburn who is pastor of the church at Squaw Mountain community, near Jacksboro.

Rev. Stewart and his wife moved here Saturday and are living at 833 S. E. Ave. B for about two weeks while the parsonage at 1491 S. W. Ave. A is being remodeled.

The Stewarts have four sons and one daughter. All are married except one son, Doyle, 17, a junior in high school. He will join his parents here after the close of school.

Twelve Teachers Receive In-Service Certificates

Twelve Hamlin Primary and Elementary Teachers received in-service certificates in Abilene Saturday upon completing an area study course in Modern Mathematics 1-6. The course, sponsored by the Texas Education Agency, was given at Cooper High School. The Saturday sessions began October 23 with Dr. Paul J. Cowan of the Hardin Simmons University mathematics department as instructor.

Hamlin teachers receiving certificates were: Mrs. Harold L. Williams, Mrs. Donley Williams, Mrs. Fred Smith, Mrs. Leldon Clifton, Mrs. Joe Norton, Miss Viola Avants, Mrs. Harvey Elkins, Mrs. I. J. Starr, Mrs. Jimmy Huff, Miss Mary Ella Esco, Mrs. F. F. Shout and Mrs. Ethel Allan.

Mrs. W. W. (Red) Wallace, Mrs. L. V. Miller and Mrs. D. C. Andrews Sr. attended the president's council of Licensed Vocational Nurses Association in Austin Feb. 18, 19 and 20.

CLIFTON WINS TROPHY—

Five from Here Compete In Regional Golden Gloves Meet

Five Hamlin youths entered the Jaycee sponsored Regional Golden Gloves meet in Abilene this week end with one, Bob Clifton, bringing home the trophy for his weight in the high school division.

Clifton and Randy Kelly were the only two Hamlin boys to win their round matches, with Clifton going on to win his final match with a knock out in 35 sec. of first round.

Thursday night action in Abilene saw Clifton Woods of Stephenville, knockout Paul Long in 51 sec. of the first round. Mike Bredemeyer of Sweetwater won a decision over William Nelson of Abilene.

On Friday night Clifton defeated David Coy of Snyder and Tommy Gore of Stephenville won a decision over Kelly.

On Saturday night Jimmy Baker of Brownwood took a TKO over Gary Woolf in the third round and Clifton knocked out Mike Wood of Stephenville in 35 sec. of the first round.

All of the Hamlin boys were fighting in the high school division of the tournament.

The Piperettes took an easy victory over their first round playoff foes Saturday night as they clipped Marfa to the tune of 61-30. Judy Jenkins outscored the entire Marfa team as she rolled up 33 points.

The local girls, playing in the Coahoma gym, got off to a slow start as they trailed early in the first quarter before they rallied to take a one point lead at the end of the first period and were never in trouble after that.

They out-scored Marfa in each of the quarters by 11-10 in the first, 17 to 6 in the second, 19 to 8 in the third and 14 to 6 in the final.

The Piperettes hit 21 out of 33 free throws and 20 out of 32 field goals while Marfa hit 12 out of 25 free throws and nine out of 30 field goals.

Judy sank 11 charity throws and 11 field goals for her 33 points. She was followed by Linda Bailey with six field goals and eight free throws for 20 points. Pauline Lakey hit 2 field goals and one free throw for five points and Margaret Cooper, who played on both ends of the court during the contest, hit one and one for three points.

Diane Baker was high for Marfa, hitting four field goals and seven at the line for 15 points.

The Piperette guards got 56 per cent of the rebounds in the first half and 42 per cent in the final half for a game average of 50 per cent. They stole the ball five times and lost in four times during the contest.

Banquet Fri. 'Regardless'

The annual Board of Community Development banquet will be held "regardless" this week, according to committeemen of the twice postponed affair.

Originally set for Janu-

ary 21 and rescheduled for Jan. 29, the banquet could not be held each time because of snow and freezing temperatures.

Plans are now for the banquet to be held Friday, Mar. 4, at 7:30 p.m. in the

high school gymnasium, "in spite of the weather."

Wayne B. Smith of Wichita Falls, humorist and popular speaker, will be the speaker.

Entertainment will be presented by the Hamlin High School Stage Band.

A & M Computer Available to Figure Individual Farms for Cotton Program Through County Agents

Computer facilities at Texas A & M are being offered to Cotton farmers to aid them in determining row patterns and the best level of participation under the 1966 cotton program, according to Kirby Clayton, County Agent. The service of the Texas Agricultural Extension Service is expected to be especially helpful to farmers using skip-row planting patterns.

Clayton stated that the purpose of the project is to assist farmers in determining the most profitable row pattern, or combination of row patterns, for the four levels of participation under the cotton program.

The four levels of partici-

pation are: no participation, 12.5%, 25% and 35% diversion.

The following procedure will be used in the computer programming project for cotton:

The farmer will need to contact the local County Agricultural Agent's office and secure forms along with instructions on how to use them. These forms will be filled out by the farmer and will show his cotton allotment, feed grain base, conserving use

acres, cotton planting patterns he would like to consider and his estimated operating costs and returns per land acre for each pattern.

The above information, accompanied by a \$30 check, to pay for computer time, will be mailed to the State Management office at Texas A&M University.

The information will be processed and the most profitable route will be returned to the farmer within one week after the Farm Management office receives the properly completed forms. The results will list the required number of acres which should be planted to a given row pattern, or patterns, for each level of participation. The amount of income derived from the optimum solution for each level of participation will also be shown.

"Since the results obtained from the computer is based on the estimates supplied by a farmer under a particular situation, the information should be very helpful to him in making a decision under the new cotton program," states the agent. "Of course, the accuracy of the results will depend on the accuracy of the estimates supplied by the farmer."

Further information on the program can be obtained from the County Agent's office.

Oak Grove Church Sets Three Night Revival Meeting

Oak Grove Baptist Church will open a three night revival Wednesday night, Mar. 9 with services at 7:30 p.m. The pastor will be bringing the messages each evening through Friday.

Topic for the sermons will be "The Mistake of Your Life" on Wednesday; "Your Opportunity is Swiftly Passing" on Thursday; and "Moving Up" on Friday.

Everyone is invited.

OLD GLORY...

By Judy White

Fans of the Old Glory Pirates followed the basketball team to the Regional Meet at Canyon last Saturday but despite splendid efforts the Old Glory team was defeated first by Darrouzett 67-47, and later in the day by Shallowater 81-67. Each member of the Old Glory team, as well as Coach Tom Pritchard, is to be congratulated for the vital part he played in taking the team as far as it did go.

Rain at Old Glory last Sunday morning amounted to .25. Approximately that same amount of moisture was received from the two inches of snow that fell earlier last week.

Mrs. Herman Letz was honored on her birthday last Friday. Those who called at her home included Mrs. Ben Klump, Mrs. Charlie Letz, Mrs. Tillie Dippel and Mrs. Katie Gerloff.

Mr. and Mrs. Thomas Letz spent the weekend here visiting their parents, Mr. and Mrs. C. T. Pierce and Mr. and Mrs. Charlie Letz.

Mr. and Mrs. Jimmy True of Abilene were here last Saturday visiting her mother and sister, Mrs. Normanda Sander and Judy.

THE HAMLIN HERALD

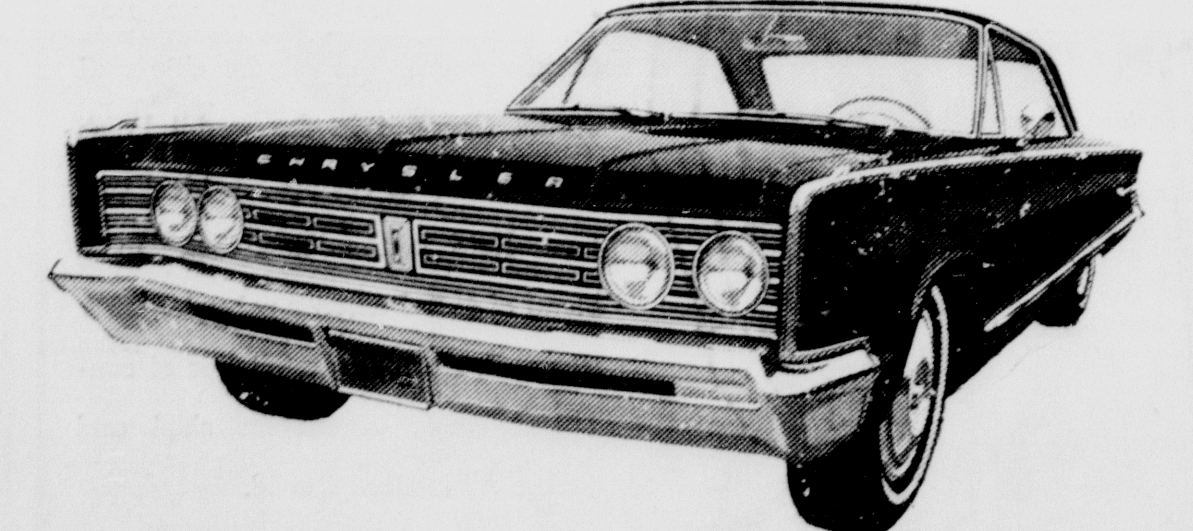

Published Every Thursday at The Herald Building, Hamlin, Jones County, Texas, by the Pied Piper Publishing Company, 340 S. Central. Telephone SP 4-1606. Entered at Post Office at Hamlin, Texas, for transmission through the mails as Second Class matter according to an Act of Congress on March 3, 1879.

Look—we aren't kidding. For a few dollars a month more, you could be driving a Chrysler:

Make	Wheelbase	Overall Length	V-8 Engine Cubic Inch Displacement	Base Monthly Payments	Difference Per Month
CHRYSLER NEWPORT	124"	219.0"	383	\$65.80	—
FORD GALAXIE 500	119"	210.9"	289	\$58.32	\$7.48
CHEVROLET IMPALA	119"	213.2"	283	\$58.45	\$7.35

CRITERIA OF COMPARISON—All models are two-door hardtops equipped with V-8 engine, automatic transmission, power steering, power brakes, radio and heater. Monthly payments have been computed on manufacturer's suggested retail price, 1/3 down and 36 monthly payments. Not included are the extras you pay for on practically any new car: whitewall tires, deluxe wheel covers, destination charges, state and local taxes, interest, insurance, and licensing fees.

The hard facts are all in the chart. You can practically pay the price of a Chrysler and get a lot less car all the way around. Or, you can come in and move up to the Chrysler class for far less money than most people suspect. Confidently, which choice makes the most sense to you, a little car or a full-size Chrysler?

Move up to Chrysler—the big car you can afford

He returned to Texas Tech and graduated in 1956. At Tech he was active in student affairs. He earned his law degree at the University of Texas and moved to Abilene in 1959. Calhoun served in 1965 as president of the Texas Tech Ex-Student Association, is a director of the Abilene Chamber of Commerce, director of the YMCA, Merit Badge Counselor, Chisholm Trail Council, Boy Scouts of America and immediate past president of the Southwest Abilene Rotary Club.

He is married to the former Doris Wampler of Clovis, N. Mex. and they have two sons, Michael, 6, and David, 4. The Calhouns are members of St. Paul Methodist Church in Abilene and he has served on the official board of the Church.

Calhoun's formal statement follows:

"My decision to become a candidate for the Texas House of Representatives stems from a keen sense of duty in governmental affairs. It is the responsibility of every citizen to give of himself to truly make this government of the people, by the people and for the people. The increased demands of legislation at the state level and the complexity of state government calls for aggressive and intelligent representation. I believe I am qualified to serve and to help solve the challenging problems of our complex society. My education in history at Texas Tech, my long interest in governmental affairs and my law training qualify me for public

Jaycees Sponsoring State-wide 'Discover Texas' Essay Contest

A statewide essay contest to offset research findings that Texans don't know the vacation joys of their own state will be promoted in Hamlin by Bill Early, Jaycee President.

He was named local project chairman for the "Discover Texas" essay contest by the Texas Jaycee organization. Jaycees are co-sponsoring the competition for seventh and eighth-graders in cooperation with the Texas Tourist Development Agency.

Prizes in the contest are representative of the good-time spectrum available to all Texans. Winner will have his choice of a weekend for himself, his immediate family, and best friend at any of three topflight tourist attractions in Texas. The spectrum:

Six Flags Over Texas, the jolly Dallas-Fort Worth theme park that drew more than 1.7 million visitors last year; the amazing Aquarena at San Marcos boasting, among a host of charms, the world's only submarine-type theater; and the city of San Antonio, the historic place J. Frank Dobie once described as "eve-

office. As a law student at the University of Texas, I was able to further my knowledge of government by working in the Texas House of Representatives and thereby gained valuable and practical experience in legislative affairs.

"As your State Representative I pledge full time, energetic, positive representation in Austin for our district and our state. I would be particularly interested in all measures that will insure a favorable business and agricultural climate in our West Texas Area. I strongly feel that we can meet our obligations in the areas of water and soil conservation, pollution control, highway construction, increased tourism and excellence in education with our present sources of revenue without an increase in taxes.

"If I am elected your State Representative the best interest of District 62-F and the State of Texas will be my constant goal."

ry Texan's second home." Second and third-place essayists and their families will be entertained on an all-expense basis by the two attractions remaining after the winner's choice is made. Auto travel expenses of winners will be paid by the hosting attractions. In each case one "best friend" will be hosted too.

One local winner will be named among essayists competing here, according to Bill Early. He will receive an attractive certificate and his entry will be submitted to state Jaycee headquarters for judging against those of other winners across the state.

In their "Discover Texas" essay, students are asked to tell why they would like to spend a vacation in Texas.

Local school and Jaycee officials are cooperating in promotion and judging of the "Discover Texas" contest. Deadline for submission of entries to the local project chairman is March 15.

Grand prize winners will be announced in early April.

SYLVESTER NEWS...

By Mrs. R. M. Babb

A lovely day, just wonder how long it will last, we had a pretty rough week last week so we are appreciating this nice day.

We had a larger group in Sunday School and Church on Sunday morning, then Sunday night. Bro. Leverett was surprised by his parents attending our services, we were very glad to have them visit.

At this writing, Leldon Perkins and Mrs. Ella Scott are still in Hamlin Hospital. Robert Reed was released this morning and was feeling much better.

Mr. and Mrs. Morris Rocquemore and daughter, Sue Ann of Irving, Mr. and Mrs. Raymond Perkins of Lubbock, Mr. and Mrs. Gus Kiser of Comanche, all visited the Landon Perkins home over the weekend.

Mrs. Henry White, daughter and son of Lubbock visited her sister, Mrs. Woodford Hursley on Sunday.

Mrs. A. J. Griffin, Mr. and Mrs. Will Kelly, Mr. and Mrs. Richard Kelly of our town and Mr. and Mrs. Wesley Ma-berry of Sweetwater attended

the funeral of Mr. Kelly's and Mrs. Griffin's Mother in Okla. City Okla. last week.

Visiting in the W. B. Brown home during the weekend were Mr. and Mrs. Max Deel and family of Levelland and the Jerry Prather family of Sweetwater.

Mr. and Mrs. Henry Cook enjoyed their many, many friends Sunday as they celebrated their Golden Wedding Anniversary.

Mrs. Frank Dillard of San Angelo and her son, Joe and his son Mark of Stamford spent some time one afternoon this past week in the home of Mrs. John Edwards.

Boaz and her children but we are sorry to lose Betty Boaz and her children but they are moving back to Calif. Buster Brown of Levelland spent the weekend with his parents, the L. C. Brown's.

Mr. and Mrs. Gus Travis had as guests over the week end their daughter Mr. and Mrs. Charles Brewer of Mc

Camey, a grandson, Mr. and Mrs. Mike Brewer of San Angelo and a brother Mr. and Mrs. Arvin Evans of Big Spring.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

Austin, — Texans who failed to pay their poll tax have another chance to register for a vote in the 1966 elections. This time it's "for free!"

Registration period extends from March 3 through March 17. Any citizen eligible to vote can sign up with his county tax assessor-collector and his name will be placed on the poll list at no charge.

So reads the "emergency" provision in the new voter registration act just passed by the Legislature and signed into law by Gov. John Connally.

Hereafter, free registration will take place from October through January each year.

There is one possible hitch: Atty. Gen. Waggoner Carr fears that names of those who sign up during March won't be available for local elections already slated on bond issues, local option liquor questions, etc. He asked the three federal judges who banned the poll tax to put off their order until March 26.

Estimates of the number of Texans who will take advantage of the free right to vote vary widely — from 50,000 to 1,000,000. Any figure approaching the latter could make a substantial difference in the outcome of many local and some statewide elections. Indications are that the number of new voters will be nowhere near that high, however.

All who paid poll taxes by January 31 will be entitled to vote as usual, without re-registering.

Pecos Sulphur Boon—Land Commissioner Jerry Sadler compares reaction to the re-

cent Pecos County sulphur Gold Rush days of 1949.

He said "operators are moving in both day and night attempting to locate and file claims on state-owned land... to mine sulphur."

Sadler declined to accept 50 cents an acre per year for sulphur leases when, he stated, leading sulphur operators paid up to \$2,000 an acre bonus for five years leases in a recent federal sale off the coast of Texas.

State School Land Board rejected a rash of filings under an 1895 claim law. Board set a sulphur lease sale, along with oil and gas bidding, for May 3.

Appointments Announced — Governor Connally appointed Hill County Attorney Steve Latham of Hillsboro to succeed Sam Johnson, resigned as judge of the 66th District Court of Hill County. Latham formerly practiced law in Wichita Falls.

Governor chose former District Attorney Dan Walton of Houston as judge of Harris County's Criminal District Court No. 4, succeeding the late Judge A. H. Krichmar.

Connally's appointees to the new Texas Air Control Board are Clinton Howard of Irving, Henry J. LeBlanc Sr. of Port Arthur, Herbert Whitney of Corpus Christi and Dr. Wendell Hamrick, John Files and Dr. Herbert McKee, all of Houston.

Bob Cheatham of Texarkana and Cliff Hensley of El Campo were named by the Governor to the Texas Real Estate Commission.

Water Debate Re-heard — Supreme Court of Texas has under advisement a long-standing dispute between city of San Antonio and cities in the Guadalupe River basin.

San Antonio is appealing a 1957 Texas Water Commission decision. Ruling denied the Alamo City's application for 100,000-acre feet water a year from Canyon Dam near New Braunfels and awarded 50,000-feet from the reservoir to Guadalupe-Blanco River authority for municipal use downstream.

Attorneys for San Antonio claimed the city must import 138,000-acre feet for its needs by 1980. Meanwhile, Guadalupe basin will have a surplus over necessities of 180,000-feet.

GBRA attorney denied any surplus is in sight. He said some cities, including Seguin and Port Lavaca, already suffered from serious shortages.

Major legal point involved is whether the Commission can delegate to GBRA rights to release water to unspecified municipal users, while denying San Antonio's application to pipeline water from another basin for high priority city and domestic needs.

Education studies begin — Two important studies of the public school system have been launched. A spokesman for one predicts teachers will ask another \$500 a year raise at next year's legislative session.

Governor's Committee on Public School Education, directed to a far reaching report on school needs, held its first meeting here and selected Glenn H. Ivy, Texas Research

League staff member, as its director.

House Interim Committee on Education decided to collect comparative data on what teachers are paid over the nation. Rep. Charles Wilson of Lubbock said he believes teachers will ask another pay raise in 1967. They got one in 1965.

Poverty project approved—Fifteen more Community Action grants and two VISTA grants under the Economic Opportunity Act have received Governor Connally's approval.

Grants went to agencies in Harris, Hidalgo, Atascosa, Karnes, Wilson, Brooks, Jim Hogg, Zapata, Dallas, El Paso, Kleberg, Maverick, McLennan, Shelby, Starr, Comal, Blanco, Nueces and Webb Counties. They range from \$5,752 for Economic Opportunity Development Corporation of Lardo project to \$53,181 for Harris County Economic Opportunity Organization.

Manufacturing at record level — All-time highs in employment, payrolls and value of output were set by Texas manufacturing industries in 1965, and outlook is even brighter for 1966.

So concludes a study of Texas industrial expansion by the University of Texas Bureau of Business Research.

Total Texas manufacturing

employment this year is expected to raise by 13 per cent, with biggest increase in electrical machinery production. Estimated value added by manufacture for 1966 is anticipated to be slightly above \$8,500,000,000, a 21 per cent rise over 1963.

A serious problem facing Texas manufacturers, BBR noted, is a shortage of skilled labor (particularly machinists) and engineers for aerospace companies supporting the Manned Spacecraft Center in Houston.

Shortages of engineers, machinists, technicians and managerial talent emphasizes again the "need to provide a superior educational system at the elementary, secondary and college levels," BBR stresses. Many industries, Bureau warns, can move where needed labor is available, and there is less and less work for the uneducated and unskilled.

The Greeks believed that clouds were the God Apollo's cattle sent out to graze in the meadows of heaven.

If the first part of your car registration number is here, you might be a winner.

Here's how it works. Look at the first symbols (the prefix) on your vehicle identification slip. Then look at the symbols listed above. If you find yours on the list, you've taken the first step toward being a winner. Now go see your Buick dealer. He has a list of 72 winners posted in his showroom. If you see your entire vehicle identification number on the poster—the symbols plus the rest of the numbers—\$2332 cash is yours. (If your prefix isn't listed in this ad, don't give up. Your numbers may have been posted during the past few weeks. And every week there are 72 new winners posted on the showroom wall. So watch for next week's list of new symbols in this newspaper.) No slogan to

invent, no puzzles to solve. In fact, you don't even have to own a Buick to have a winning number. While you're in the showroom, get a good look at the Buick Special. The \$2332.00* happens to be its price. *Manufacturer's suggested retail price for Special V-6, 7-dr. coupe. Price includes Federal Excise Tax and suggested dealer delivery and handling charge.

Contest Rules. Residents of Kansas, Missouri and Nebraska may, if they prefer, send in a postcard to R. L. Polk and Co., P.O. Box 1347, Detroit, Michigan 48231 and receive the weekly list of winning numbers by mail for comparison with their own vehicle identification number. An official entry form will be included. Sweepstakes limited to persons over 21 living in the continental U.S. Not valid in Florida or states where prohibited by law.

FAIRVIEW NEWS...

By Mrs. Elmer Joiner

Last Monday morning was about as bad as could be, with freezing rain and snow falling, this Monday is about as beautiful as can be. So far the day is just perfect. Since tomorrow is the first day of March, it may just be backing up a running start with a good sand storm, that is West Texas in the spring time.

Eleven women and two children were present, in the home of Mrs. Madgean Rainwater, last Wednesday morning for the W. M. U. meeting of the four churches. Five were present from Fairview, five from Neinda and one from Hanna. There will be no W. M. U. program next time the Brotherhood and the ladies meet together, which will be March 9, with the Fairview Church. The Lonnie Doyses will be with us to show their slides and tell of their work in Brazil. We invite anyone wishing to see and hear them, to meet with us, we have lots of empty seats that need filling one more time.

The week of March 6-13 being designated as a week of prayer, by the W. M. U. the members being too scattered to meet every day, as they do in town, decided to meet for an all day program. This will be at the Neinda Baptist Church, Monday March 7, at 9:30 a.m. everyone will bring a covered dish. The Neinda ladies announced that the nursery will be open and if you can't come because of small children, they will be cared for while you enjoy the program.

We had another preacher at Fairview Sunday, Rev. Guy Hopper, of Knox City, a semi-retired Baptist minister. He and his wife were dinner guests of the H. L. Fords. Even though we do not have a pastor, we are still trying to carry on, as if we did. We will find the right man some day before long.

Mr. and Mrs. Elmer Joiner went to Lubbock, Thursday, to spend the day with his sister, Mr. and Mrs. Henry Kee. Mrs. Kee is convalescing from recent surgery.

Raymond Seifres has bought the farm belonging to Mrs. Jim Rose and we understand that they will move

there soon. It is always good to have some one moving into our community, instead of away from it.

Mr. and Mrs. Winson Gray went to Clyde Wednesday afternoon, where they visited with Mrs. Gray's cousin, Mr. and Mrs. Lonzo Shellnut.

The Workers' Conference, which was held in the First Baptist Church, of Anson, was put off from Tuesday night until Friday Night, on account of the bad weather. The Grays and Goodwins represented the Fairview church.

Even though there will be a report in the Herald of the H. D. Club meeting last Friday, would like to comment on the good time we all had. As I had stated before, our project this year is to buy a radio, for one of the girls at the State School, in Abilene, and we had a fund raising day. Every lady brought something to show and we all paid to see that they had brought. The things ranged from the ridiculous to the sublime. We raised almost nine dollars on our project.

Buck Joiner spent Sunday with his parents, the Elmer Joiners. He had made a trip down Saturday night, on business and the remainder of his family stayed home.

Mr. and Mrs. Woodrow Goodwin visited last Thursday night with Mr. and Mrs. John Beauchamp, in Anson.

The Rogue Theater gave a preview of the picture, "My Redeemer", last Wednesday afternoon, inviting the representatives from each Woman's Club and from the churches. I attended, as a member of the H. D. Club and Mrs. Goodwin, from our church. This is a wonderful picture and should be seen by everyone that is interested in Biblical pictures.

Nancy Ford made a short visit home from Denton, Saturday and Sunday, long enough to see the homefolks and eat some of mamma's cooking.

Mr. and Mrs. Gilley were late Sunday visitors of the Fred Rosenbaums.

Mrs. Flavil Holmes went to Stamford last Friday afternoon, to visit with Mrs. Larry Holmes, who had surgery on a foot, almost a week before. The girls basket ball team

Piperettes are the BEST! This is the main topic around Hamlin High School. The Piperettes defeated Marfa for the Bi-District title before host of Hamlin fans at Coahoma, Saturday, March 5, the team will play in the regional tournament in Lubbock. We've backed our team this far, so let's go all the way!

HHS
The Hamlin High School Stage Band brought home third place honors Friday from the Stage Band Contest in Brownwood. We should all be very proud of our stage band for all their work and accomplishments.

HHS
Those of you who didn't attend the "FFA Fun Night" Friday night in the gym really missed a whale of a good time! Races of all sorts were run and games of all kinds were played. Along with this, refreshments were served.

HHS
The seniors are now beginning to work on their play. Characters were chosen last Tuesday. If you have to, start deciding now on who you want to buy your tickets from, because you just can't miss it! Read the Piper Patter next week for more news about the senior play.

HHS
Saturday, March 5, the High School Band will go to Sweetwater for a parade and festival. The band will be playing their contest numbers.

won their game in Coahoma, last Saturday night, entitling them to a trip to the Regional Tournament in Lubbock next weekend. We are proud that one of the players, Kay Hodnett, resides in our community.

Mr. and Mrs. Wayne Hodnett went to Winters last Thursday night, after receiving word that his brother, J. C. Hodnett, had suffered two heart attacks, one Wednesday and one Thursday morning. He appears to be doing well, but will be hospitalized for two weeks and off work two more months. J. C. and wife, the former Tommy Gardner, were life long residents of the Neinda community until a few years ago.

It is surprising how anything can turn out by leaving out a few words, accidentally, as was done last week when I reported going to Abilene and visiting with Mrs. Lois Hampton. It didn't matter as everyone knows that I do not have a daughter in Abilene. But, I did go to Abilene again early this Monday morning with my daughter, Mrs. Runt McCoy, who is going to the Rehabilitation Center for therapy on her hand that she had surgery on recently.

For those who would like to attend, our band will play at 3:55. Following the festival, there will be a parade.

HHS
Let's take our hats off to the Pep Squad and their sponsor, Miss Dora Mitchell. They work diligently all year long on banners, school decorations, and developing the real school spirit. Today they are working on banners for the regional game Saturday. By the way — Miss Lola Milstead gave a wonderful pep talk to the student body and our great team Friday. With her confidence in our team, we are bound to win.

HHS
We are now beginning our

fifth six weeks — only one more to go. The weather is finally getting warm, and as Uncle Wiggly says, "Don't let Spring fever get you down."

HHS
Milton Davis, president of the Sophomore class, gives his definition of a hero as a

person who not only does brave deeds, but can also be man enough to stand up for what is right, even when he is in the minority.

Rainfall here Sunday afternoon measured .41 inches at the City Pump Station.

With the close of basketball, McCauley seems pretty dull when it comes to extracurricular activities. It seems the students will be keeping busy now by burning the midnight oil.

Last week was six weeks, but the students were given an extension of one week. The extra days seemed nice at the time however, everyone seems to be glad the exams are now over.

M. H. S. students would like to congratulate the Piperettes on their bi-district victory and hope they come back from Lubbock with the Regional championship.

Tuesday was the day for vaccinations at McCauley. The students who got out of class to go to Roby weren't envied in the least.

Everyone came to school with a quarter Tuesday for the Franklin Family Musical Show. They performed in the gym.

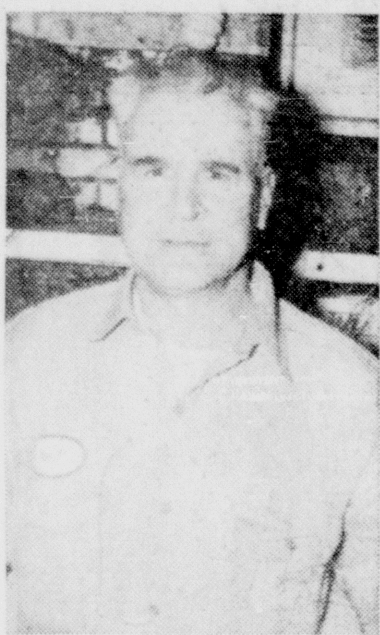

Mr. and Mrs. Cecil Elmer Alwine of Merkel are parents of a son, Olen Douglas, born at 1:11 p.m. Feb. 28 weighing 6 lbs. 9 oz.
